

August 15, 2006

Dear Walker:

Thank you for agreeing to support the walk-a-thon! The walk will be held on Saturday, October 14, 2006, with registration at 8:30 a.m. at North Seattle Community College located at 9600 College Way North (Front Plaza).

This is the first year of this community walk to raise funds for the North Seattle Community College Education Fund (student scholarships) and Homewaters Project. Our goal is to raise \$12,000 in new revenue. Enclosed please find a sponsorship sheet that will help you collect sponsors individually or as part of a team.

As a participant, you will want to begin collecting donations immediately. The team that raises the most money will receive special recognition and a prize after the event!

As a walker, we ask that you be responsible for three things:

1. We encourage you to collect \$100 in sponsorships from friends, family, co-workers, teachers, classmates, neighbors, etc. This is a pre-paid walk so please collect all of your donations prior to walk day. **Ask your employer to provide a matching gift donation. Sponsors can make their tax-deductible checks payable to the North Seattle Community College Education Fund. Your cancelled check will serve as a receipt.**
2. Recruit others to walk in the walk-a-thon. Make it a family affair!
3. Come to the walk on **Saturday, October 14, 2006** with your team ready to participate in the walk-a-thon to benefit the North Seattle Community College Education Fund and Homewaters Project and have a great time!

As a special treat and to show our appreciation for a job well done, the North Seattle Community College Education Fund and Homewaters Project will host a barbecue from 11:00-12 noon back on campus.

We look forward to your participation!

Warmly yours,

Phyllis Mayo
Chairperson
North Seattle Community College Education Fund

Sue Stillman
Board Chair
Homewaters Project

Homewaters Project is a nonprofit organization based at North Seattle Community College in the Thornton Creek watershed of Seattle. Its mission is to develop an engaged and informed citizenry by connecting people to nature and each other in the context of their communities.
